

# Introducing Lindholme MSC and Worksop & DMC's **2026 Fulbeck Challenge for Competitors**

Sponsored by

## **IT'S FREE TO ENTER, and VERY STRAIGHTFORWARD**

**Two rallies are planned at Fulbeck for 2026.**

**Lindholme MSC's Lincoln Green Stages Rally, on Sunday 10 May and  
Worksop & DMC's Dennis Turner Memorial Stages Rally on Sunday 2 August.**

Every competitor who starts stage 1 on **BOTH** events will **AUTOMATICALLY** be entered in a draw.  
After the August event, the drivers' and co-drivers' names will be put into two separate hats and  
one name will be picked from each hat.

**The winning Driver gets free entries to BOTH our 2027 Fulbeck events  
and**

**The winning Co-Driver gets free entries to BOTH our 2027 Fulbeck events  
(Each prize is worth £720 at 2026 prices)**

### **We've tried to keep the rules straightforward too:-**

1. There are no alternative cash prizes
2. Should a winner be unable to compete on either, or both, of the 2027 events, they may give, or sell, their surplus entries to another competitor, subject to the organisers being given prior notice by the date that entries close, and approving the substitute competitor(s).
3. Should both the winners be competing in the same vehicle in 2027, they may give, or sell, their surplus entries to another competitor, subject to the organisers being given prior notice by the date that entries close, and approving the substitute competitor(s).
4. **HOWEVER**, should any of the 2027 events not run, for whatever reason, the organisers may, or may not, at their absolute discretion, be able to offer alternative prizes.

### **Why are we doing this?**

1. To incentivise people to enter both the 2026 Fulbeck events, obviously!
2. **BUT** - unlike most multi-event competitions, to be in with a chance of winning,
  - a. You don't have to finish either event! - just start the first stage of both events.
  - b. You don't need an R5 - it's a genuine lucky dip.
3. If they can't enter in 2027, winners can pass, or sell. their free entries on, not lose them.
4. It's our way to give something back to the clubman competitors who support our events.

**With a BIG "thank you" to**
